

# Request for Proposal — E-Commerce Platform Replatforming

## 1. Client / Organisation

Soylent Retail Group

## 2. RFP Reference Number

RFP-2026-RET-688

## 3. Solution Domain

Retail / E-commerce

## 4. Region

North America

## 5. Submission Deadline

25 Aug 2026

## 6. Background

Soylent Retail Group seeks a partner to replatform its e-commerce storefront to a scalable, headless commerce architecture supporting omnichannel retail.

## 7. Functional Requirements

- Deliver a headless e-commerce platform with a modern storefront.
- Support omnichannel inventory and order management.
- Provide a personalised recommendation engine.
- Integrate with payment, tax, and shipping providers.
- Offer a merchandising and promotions management console.

## 8. Non-Functional Requirements

- Handle 50,000 concurrent shoppers during peak sales.
- Page response time under 1 second.
- 99.95% availability during peak season.

## 9. Compliance & Security Requirements

- PCI DSS compliance for payment processing.

- CCPA compliance for California consumer data.
- Accessibility compliance (WCAG 2.1 AA).

## **10. Commercial / Pricing Line Items**

- Commerce platform license (per year, gross merchandise value tier)
- Cloud hosting & CDN (per month)
- Implementation services (labor, estimated 3000 hours)
- Support & maintenance (annual)

## **11. Evaluation Criteria**

- Platform capability 35%
- Scalability & performance 25%
- Price 25%
- Compliance 15%

## **12. Submission Instructions**

- Responses must be submitted in PDF or DOCX format by the submission deadline.
- Vendors must address every functional and compliance requirement explicitly.
- Pricing must be itemised and valid for 90 days.
